

NPCIL e-Tender Portal (<https://npcil.etenders.in>) has been made live w.e.f. 17.12.2018. NPCIL is in process of uploading the requisite Tender Documents again.

The tenders which were due from 07.12.2018 to 25.12.2018 have been extended upto 26.12.2018.

Bidders of Live tenders who had initiated/submitted bids till the outage on 07.12.2018 need to revisit their bids for uploading the bid attachments (PDFs etc.) afresh invariably.

As regards bid data, such bidders should invariably recheck their bid submission in the portal. Bidders also have an option to edit/rework their bids (resubmission is mandatory in such cases), before bid closure date. The bidders are also requested to ensure the bids submitted by them are complete in all respect. NPCIL shall not be held responsible at any point of time in this regard.

MSE bidders are also requested to upload afresh their tender fee exemption certificate (UAM, NSIC certificate etc.) along with other bid attachments stated above.

All bidders are requested to regularly visit NPCIL e-tendering Portal for any further updation.
